OLD/NEW BUSINESS

Director Caudill reported she received an inquiry regarding the use of oxygen in emergencies. Director Caudill will contact the Pharmacy Board for guidance and report her findings to the Board and include them in the next newsletter.

The Board inquired about the news segment that aired on a Cleveland television channel last month regarding stem cell therapy. Director Caudill advised the Board that she had been contacted by the station and provided a statement on behalf of the Board which wasn't used in the segment. Director Caudill advised the Board that since stem cell therapy is outside the scope of chiropractic practice, marketing appears to be the primary involvement of licensees and any complaints made regarding a possible violation of the Board's laws and rules will be investigated accordingly. The Board requested Director Caudill to further research the issue for a possible article in an upcoming newsletter.

The Board set the following Board meeting dates for 2019: February 14, April 25, June 6, August 22, October 31 and December 5.

Ms. Voltolini moved and Vice-President Dr. Roush seconded a motion to adjourn the meeting. Motion passed unanimously.

With no further business to be brought before the Board, President Dr. Frame adjourned the meeting at 11:20 a.m.
